Re: Request for Confidential Treatment
of Appendix to Dkt. 92-298 Comments

Dear Madam Secretary:

The undersigned hereby submits the following information and copies of documents requested by the Commission's Office of the General Counsel in connection with the undersigned's pending request for confidential treatment of the Appendix to his comments in Docket No. 92-298, filed April 5, 1993.

The Confidential Appendix to the undersigned's April 4th, 1993 submission contains confidential information and discussions of such confidential information which was designated confidential under a confidentiality order of the Eastern District of New York under stipulations and orders signed by Magistrate Judge Orenstein on December 10, December 14 and December 23, 1992. (Copies of these orders are enclosed.) Accordingly, the appendix and its attachments should be treated by the Commission as confidential. Copies of this material have, of course, been served on Motorola, Inc.

The Commission's attention is directed to paragraph 13 of the December 10th order, which allows the designating party to disclose its own "confidential information" to anyone at any time under conditions of confidentiality.

In the event the Commission is either unwilling or unable to adhere to these judicial procedures and the documents are deemed voluntarily submitted, the undersigned respectfully requests that the documents be returned to the undersigned without any public disclosure of their contents.

Respectfully submitted,

Leonard R. Kahn
